

# 2023-25 Course Pricing

## Small Organized School Rates

**\$229**

- ✓ Must be a member of North Dakota Small Organized Schools (NDSOS) with fewer than 3,500 students to qualify.

## Standard North Dakota Rate

**\$259**

- ✓ Fee applies to any North Dakota school or school district except those qualifying for the small school district rate.

## Out-of-State Rate

**\$349**

- ✓ Fee applies to any school or student outside of North Dakota, except military students participating in virtual learning under NDCC Ch. 15.1-07.

## Cybersecurity Select Courses

**\$109-\$119**

- ✓ Eligible middle and high school courses are designated in the online store; only ND schools may purchase courses at these rates; NDSOS members receive the \$109 rate; all discounts are offered thanks to a DPI grant and is subject to funding availability.

The 23-25 pricing adjustments were made in response to input from the North Dakota legislature, reflecting their recognition of the importance of keeping pace with the K-12 virtual education market and addressing inflationary costs. By aligning our pricing structure with these factors, NDCDE can continue to provide high-quality services that meet the expectations of our students and school partners. As of August 1, 2023, all NDCDE courses will reflect the above rates, except dual credit and specific CTE courses leading to certification.

## Cost comparison

- **MI Virtual:** \$250-\$425, varies by grade level & subject area
- **MT Digital Academy:** \$123 per course; open to MT schools only through a cost-sharing agreement with the MT legislature
- **WI Virtual School:** \$290 for WI schools; includes core and elective courses

# NDCDE 23-25 PROJECTED REVENUE

Based on proposed tuition increases.

## \$4,328,800 predicted

BASED ON CURRENT COURSE OFFERINGS & 8,750 ENROLLMENTS PER YEAR
